Who are you?

Yes, yes I am.

But, I am your father!

You can't be

Well, you have to be careful at your age.

This is so hard.

Maybe you have schizophrenia, so sad.

Maybe it wasn't a hallucination at all.

She was

she was in

wanted a
divorce.

It was when
Japan was
undergoing
breakneck
economic
growth and
reform.

I was 26
when I met
your mother,
Yuriko...

I wanted
to have
your
cousin...

but I was
living off of
your mother...
Yuriko even
called me
useless.

I was loving
like a burn
then, but
Yuriko still fell
in love with
me.

I was THAT
silly and
good in bed!

I am
heartbroken,
as I left...
for Spain.

We
married
a year
later,
and soon
you were born.

it lasted
five
years.

Um, I don't
need the
'details'

Soon we
were living
together...

I started a business
designing,
making,
and selling
these things...

I left that
country a
new man.

back to
Japan...

Oh!

My chairs
and furniture
were works
of art too, that's
why when I
heard that
you are an
art teacher...
I believed
you.

and it took
off...

Oh...

by very many
years of
hard work...

Then I
noticed my
father's hands

roughed and blackened

If only I
wasn't poor,
your mother
and you
would still

I was
out to
make my
fortune

I needed to
be rich, but
I don't know
how...

ANTICUARD RE

and I
just
knew...

by chance, I
saw a store
selling metal
chairs and
furniture...

I was tired of it, I sold my head and liquidated most of my assets

but what had I done with my life?

for years I was obsessed with material wealth and money

I worked so much that I have no time for anything else, not even my family...

after the furniture business took off

I plowed the money into a properties company...

It was an end of his life

was craved into those hands...

lucky I guess, just before the recession and the price drops...

luck of the devil I guess, I don't deserve it...

soon, I was a millionaire

and the land prices just kept going up

I've known them ever since a long time ago, I was still making furniture then

now Piers

it also woke me up

I realized that

One day, I read in the news that Burke died

it was a small article, but the impact it had on me was immeasurable

and I
didn't
have
trust

especially
—

and I watched
him grow up
like he was my
son, like he was
you .

Pawa was
the child of
my assistant

he was always
at the store

after I
became
rich

money attracts
a lot of liars,
I couldn't trust
them...

There
everything
—

any
questions
?

Oh... and the
furniture
business, I left
that to be
managed by
my sister and
her husband
—

but that hasn't
been too well
because of the
weak
economy

when I know
that I wasn't
long for
this world...

I couldn't help
but want to
see you
again...

I didn't
have
the will

I didn't
have
the
time

After you
were
divorced,

why didn't
you remarry
like Mom
did?

Dad...

Dad, what
are you
saying!

When I
first saw
you...

I thought
to myself
that you
grew up
pretty darn
well.

Spend the
money on
your family
or something,
chi!

I don't
think

that the money
will change you
you won't be a
slave to it!

I can do
as your
father...

This is the
last thing
that...

listen,

my money,
it is all
yours.

Even,
I never did
anything
for you

I was
never
there

I want
you...

I want your
money
...

I don't...

I...
